

Invitation to an informal networking dinner for PhD students at the 4th International NEPS Conference

In the context of the 4th International NEPS Conference, we, the LfBi PhD representatives, would like to invite all participating PhD students to a joint dinner. The dinner is an opportunity to talk about work and other experiences in an informal setting with other doctoral researchers and local beer.

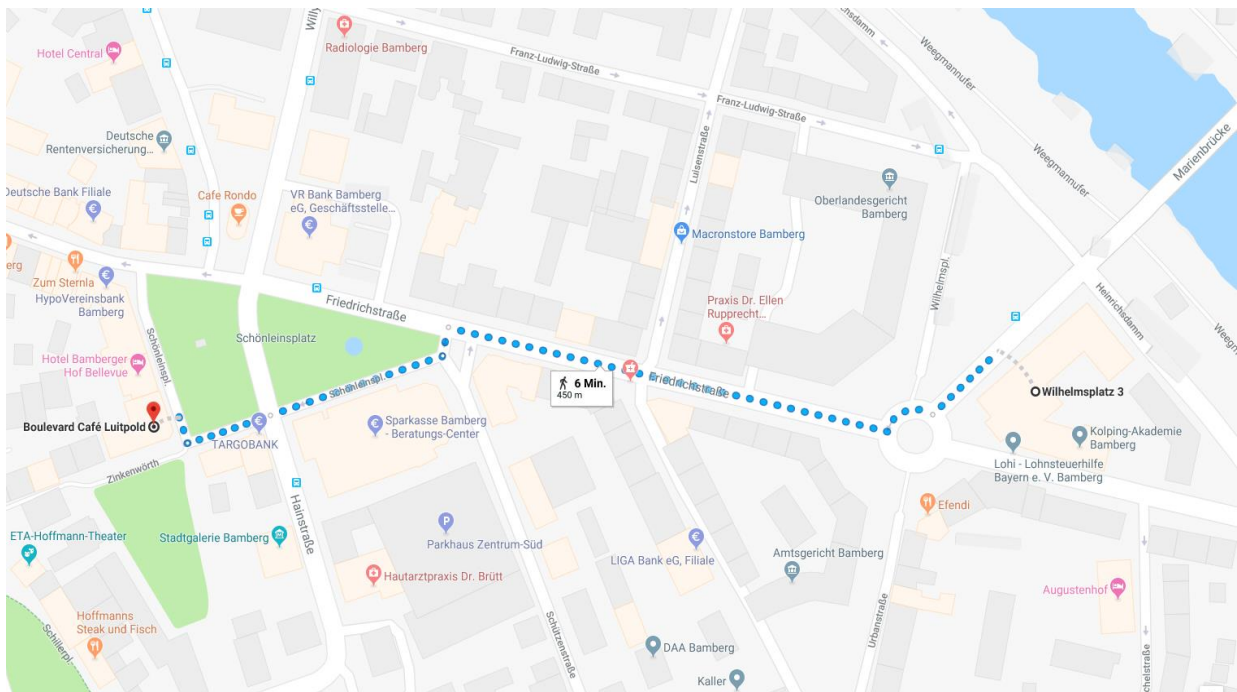

Where: Boulevard Café Luitpold; Schönleinsplatz 4, 96047 Bamberg

When: 19:15; November 7, 2019

We will meet at 19:00 in front of the room where the poster session takes place and go to the restaurant together.

Of course, you can also come to Café Luitpold directly. We reserved a table in the name of 'Regina Jusri'.

Please find directions from the Wilhelmspost to Café Luitpold here:

We are looking forward to meeting you in hopefully great numbers! ;)
